

PARKS BOARD REPORT

June 19th, 2013

Parks Director Report

- The Amphitheater has been power-washed and stained in preparation of use this summer for our Music in the Park concert series and in compliance with the guidelines required by the Department of Homeland Security for our annual Entertainment Permit.
- June and July Events
 - June: June 21st Music in the Park, Thunder Brothers (rock/funk) 7-9pm; June 22nd Misty Eyes Animal Shelter is holding a Spring Jamboree Fun Run/Walk. The run/walk will start at 10am and there will be dog agility and yoga presentations in the afternoon.
 - July: July 16th Music in the Park, Convergence (Jazz) 7-9pm; Environmental Education Class—details TBD—our intern Hillary is planning a free program for the public for the end of July. Details will be available soon.
- Marketing Update: We received the TED Grant from Visit Hendricks County and are in the process of designing brochures to promote the Pavilion Center. The grant will also allow us to apply some funds towards paid social media marketing on Facebook, purchase an annual subscription to Survey Monkey to distribute online surveys for our facilities and programs, and to post the Pavilion Center as a wedding venue on some Indianapolis area wedding websites.
- Camp Update: Camp has been off to a great start! Our enrollment for the weeks in June has been averaging between 45 and 50 campers. Please see the attached Week 2 schedule for a sample of the activities our campers participate in.

Animal Extravaganza June 10-June 14		Monday June 10 th	Tuesday June 11 th	Wednesday June 12 th	Thursday June 13 th	Friday June 14 th
